Tuition Payment, Enrollment, & Billing Information

Your child is enrolling in a continuous program that has recurring monthly tuition. *You are continuously enrolled in the program and will incur tuition charges monthly on your account until you submit a USA Sports class withdrawal request.* These can be picked up at the front office.

Four Week Payment Blocks

Each payment covers four weeks of classes, however, the four weeks covered by a payment do not always line up with the beginning of a month. Instead of making payments due on a different date each month, we simplify your calendar and have all payments due on the first of each month. Please see our annual calendar for specific dates.

Bounced Payments

If your payment is rejected by your banking institution due to insufficient funds, your account will be charged a \$15 bounced payment fee.

Monthly Payment Options

____ Automatic Billing: Please charge my credit card the first of each month for my balance due.

____ I will pay my account balance each month. Payments are due on the first of the month. If my payment is not received by the 7th of the month, USA Sports will initiate electronic payments for any balances due on my account PLUS an administrative late fee of \$10. I understand that **USA Sports does not send a monthly bill**, and it is my responsibility to pay my account balance at the USA Sports Front Desk or through the mail.

I have read and understand USA Sports' Tuition Payment, Enrollment and Billing information, and my signature below indicates my voluntary agreement with the terms set for the above.
